Review of Operations

Overview

Decmil Group Limited has reported a solid financial performance with revenue for the period of \$332.9M (2011: \$210.9M) and a consolidated operating profit before tax of \$63.3M (2011: \$19.0M).

Net Profit after Tax for the half-year ended 31 December 2012 was \$44.1M (2011: \$13.0M) and earnings per share of 26.30 cents (2011: 10.17 cents). This includes a gain arising from the business combination of HomeGround Gladstone of \$20.8M.

Operating cash flow for the six months ending 31 December 2012 was \$37.1M, an increase of 25% compared to the previous corresponding period. The strong cash position reflects the continuation of efficient working capital management with cash on hand of \$96.3M at the end of the period. The Group maintained a low level of senior debt.

Decmil maintains a very strong financial position which will facilitate its continued growth. During the period net assets increased to \$257.7M from \$225.5M at 30 June 2012. This reflects both the scheduled capital expenditure in completing the Gladstone Village and also the acquisition of the remaining 50% of HomeGround Gladstone during the period.

The value of new projects and contract extensions secured during the period was approximately \$150 million which reflects the Group's strong market position and relationships with high quality clients. The pipeline remains robust and the company will continue to pursue new opportunities and expects to grow the order book significantly during the second half FY13.

The Board has declared an interim dividend of 4.0 cents per share (fully franked). The half year dividend payout represents a 29% payout ratio (excluding the one-off gain on acquisition) which is in line with the Board's dividend payout policy. This policy will continue to be reviewed in line with trading conditions. A final fully franked dividend of \$12.6M was paid during the period in respect of the financial year ended 30 June 2012.

Decmil entered the 2012/2013 financial year with a solid workload and has continued to secure work across all key markets. With the outlook for the business' core markets remaining positive, the company is in a strong position to continue to capitalise on a healthy pipeline of project opportunities many of which are expected to be approved in the 2013 calendar year.

Current business activity and forward workload levels are anticipated to result in weaker second half sales revenue and earnings than those in the first half.

Rounding of Amounts

The consolidated entity has applied the relief available to it in ASIC Class Order 98/100 and accordingly certain amounts in the financial report and the directors' report have been rounded off to the nearest \$1,000, unless otherwise indicated.

Chairman

Dated this 18th day of February 2013

**INDEPENDENT AUDITOR'S REVIEW REPORT
TO THE MEMBERS OF
DECMIL GROUP LIMITED**

We have reviewed the accompanying half-year financial report of Decmil Group Limited which comprises the condensed consolidated statement of financial position as at 31 December 2012, and the condensed consolidated statement of comprehensive income, condensed consolidated statement of changes in equity and condensed consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the half-year end or from time to time during the half-year.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2012 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Decmil Group Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Decmil Group Limited, would be in the same terms if given to the directors as at the time of this auditor's review report.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Decmil Group Limited is not in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2012 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.
