DECMIL SELECTED FOR NZ SCHOOLS PROJECT

- **Decmil selected to deliver a school within the Christchurch Schools Rebuild ("CSR") Programme – Innovation project**
- **Ministry of Education ("Ministry") investing NZ\$1.137 billion to remodel, rebuild, and repair 115 new and existing schools in the Christchurch Region**

Decmil Group Limited (ASX: DCG) ("Decmil") is pleased to announce that a wholly owned subsidiary, Decmil Construction NZ Limited, has been selected as a contractor for the New Zealand Government's CSR Innovation project.

The design phase on Decmil's first school has commenced with the South Hornby Primary School and Decmil will work together with the Ministry of Education to finalise the concept design and associated construction approach. The design phase will be followed by the construction phase of the project.

Scott Criddle, CEO and Managing Director of Decmil, said:

"Decmil has established itself as a significant contractor for Government infrastructure and we are pleased to secure our first school contract in New Zealand and our first for the Ministry of Education.

"Our breadth of engineering and construction capability, and geographic reach, sees us well placed to continue to deliver critical facilities and infrastructure required by Government in Australia and abroad.

"We look forward to building our business in New Zealand, the successful delivery of this project and contributing to the rebuilding of Christchurch."

About Decmil

Decmil Group Limited (DGL) offers a diversified range of services to the Australian resources and infrastructure industries. Companies within the group specialise in design, civil engineering and construction; accommodation services; mechanical fabrication; maintenance; and telecommunications. Listed on the Australian Securities Exchange (ASX Code: DCG), Decmil's goal is to maximise returns from our operations to deliver value to our shareholders, clients and other stakeholders.
