## DECMIL SECURES ~\$47 MILLION IN CONTRACTS

- Decmil secures two contracts worth circa \$47m combined:
  1. Accommodation village contract with QGC
  2. Great Eastern Highway WA Wooroloo realignment with Main Roads WA
- Order book of \$590m (contracted and preferred), underpinning strong growth in FY22 & FY23

Decmil Group Limited (ASX: DCG) (“Decmil” or “the Company”) is pleased to announce it has secured contracts in the energy and infrastructure sectors, with combined revenue of approximately \$47 million in FY22.

Decmil CEO Dickie Dique said following a phase of consolidation in FY21, the Company was continuing to build strong momentum for a year of growth in FY22, in line with Decmil’s business revitalisation strategy.

“These accommodation and road contracts align with and validate Decmil’s strategy of targeting lower-risk projects with blue chip clients in the natural resources and infrastructure sectors,” Mr Dique said.

“Each of the contracts are with customers we’ve previously delivered work for, highlighting Decmil’s operational excellence.

“Our order book is expanding as we start to see the award of some contracts that were previously delayed due to COVID-19. This primes the Company for a significant FY22, with circa \$400 million (contracted and preferred) work in hand already booked in for the next fiscal year.”
